### About

Mike is the Chair of the firm's Business Aviation Group and specializes in the areas of aviation, commercial and real estate finance, serving as legal adviser to institutional lenders and borrowers in senior and subordinated debt financing and equipment leasing

transactions. He also represents large financial institutions that provide trustee and agency services in secured and unsecured financing transactions, with a concentration on domestic and international project finance, corporate and municipal debt, mergers and acquisitions, and asset-backed securitizations.

Mike also has significant experience representing companies throughout their corporate life-cycle and often serves as outside general counsel to his clients in a variety of industries. His experience includes pre-incorporation planning, general corporate representation and counseling, venture capital financing transactions, joint ventures, and mergers and acquisitions.
