

## **Hinckley Allen Welcomes Construction & Public Contracts Attorney Scott A. McQuilkin**

June 24, 2019

---

Hinckley Allen is pleased to welcome [Scott A. McQuilkin](#) as Counsel to the Firm's [Construction & Public Contracts](#) Group. McQuilkin most recently served as Special Counsel at Duane Morris LLP.

McQuilkin's practice is focused on the areas of construction and general litigation. He advises owners, contractors, and developers in all aspects of the construction process, including negotiation, arbitration, and litigation of contract disputes and contract development. He brings more than 20 years of experience to Hinckley Allen, including:

- Negotiating and drafting design and construction contracts on behalf of owners and contractors
- Litigating various construction disputes successfully, including public bid protests, defective work claims, termination claims, and insurance coverage claims
- Counseling clients on permitting and zoning issues

"Construction industry clients face a variety of complex issues, which require a collaborative, value-driven, and results-oriented approach to legal services," said [David J. Rubin](#), Managing Partner at Hinckley Allen. "Scott brings all of those qualities and more to our Construction & Public Contracts Group. We're excited to welcome him to our team."

Hinckley Allen's Construction & Public Contracts Group is nationally recognized for their work in the construction industry, which includes engineering, procurement, and construction (EPC) contractors, civil and heavy highway contractors, and Engineering News Record (ENR) Top 100 vertical contractors to design professionals and owners in both public and private sectors. Hinckley Allen's ability to provide value and deliver results through strong relationships, practical legal advice, and counsel has earned first-tier national ranking in the *U.S. News & World Report's* "Best Law Firms" for the Litigation-

Construction category. To learn more about the Construction & Public Contracts Group, please [click here](#).
